REMARKS

This has a whiff of deja vu about it. We had a similar letter about 6 months ago from someone who similarly brought to our attention a dictionary (Soviet minorities, I think) with the strong suggestion that we might feel impelled to help pay for publication.

The purpose of these letters is left rather vague. He wants suggestions, he says.

Our response to the last such suggestion was to say that while we were not in a position to support such a project financially, we'd be happy to buy a copy when it was published.

Question here also is: How unique is this? Do we have DO NOT use this form as a RECORD of approvals, concurrences, disposals, clearances, and similar actions

FROM: (Name, org. symbol, Agency/Post)	Room No.—Bldg.
<i>C/PRO</i>	Phone No.

a good dictionary already or will this fill a great need?

Anyway, pls review this pkg and come up with a draft response for I would presume at this point it will express thanks for his having brought his efforts to our attention and give him best wishes for success in his endeavors, with a statement that we'd be interested in it when it comes out.

If you have any other thoughts, happy to have them.
